YOU ARE INVITED

to visit a living memorial to one of the most critical times in our nation's history: World War II.

Located in Granite Falls, Minnesota, the Fagen Fighters WWII Museum is a showcase of iconic aircraft and ground equipment in that epic conflict. Most importantly, it is a tribute to the men and women of The Greatest Generation whose incredible sacrifices during that time shaped the freedom and liberty we enjoy today. Our mission is to preserve the memory of the heroes of WWII, promote patriotism in today's Americans, and inspire tomorrow's leaders to study and apply history's lessons.
